

Undergraduate Scholarships & Awards Entomology & Nematology Department

Instructions:

1. Fill out all information requested on this form (front and back). **Incomplete forms will not be considered.**
2. Return completed application to Mrs. Ruth Brumbaugh, Room 1028 Entomology & Nematology Building by 5pm on September 15 or to Dr. Baldwin in 2208. **Late applications will not be considered.**
3. Applicants must be full-time UF Entomology majors or double majors (EY minors see note).
4. There are two competitions with multiple awards being specified. One is academic and will be based on GPA, outside activities and overall academic performance. The other, as specified by donors, is for support of students in urban pest management, and is not necessarily tied to overall academic performance. Applicants, other than new or transfer students, must meet Entomology Club requirements by participating in at least two department service events and attending multiple club meetings.
5. Scholarship recipients will be required to have their photo made by the department for display on the scholarship awards wall outside of room 1038. Recipients will also have one week to write a letter of appreciation to the scholarship donor. This thank you letter, should be hand written on stationary or on a card and should be delivered to Ms. Ruth or Dr. Baldwin. Scholarships will be announced in October. Please see Dr. Baldwin for more information.

Note: Entomology minors may be considered for a scholarship if funds are available.

Name: _____

Gainesville address: _____ Phone #: _____

e-mail: _____ UF ID #: _____

What is your specialization area? (Please circle)

Pre-Professional Basic Science Ecotourism Biosecurity
Plant Protection Urban Pest Management

Academic Record (Please complete as applicable)

Status (Please circle)	Freshman, Sophomore, Junior, Senior If a junior, did you recently transfer to UF? _____
UF Overall GPA	
Number of UF Course Credits Completed	
What is the semester and year of your anticipated UF graduation?	
If you are graduating this year, what is the topic of your Academic Learning Compact	

(ALC) paper you must write?	
-----------------------------	--

Honors and Awards: (You may attach additional pages)

Please include a list and description of any University, College, and Departmental Scholastic Achievements and Awards you may have received as well as any community recognition you may have been awarded.

Organizations and Memberships:

Please list organizations with whom you are affiliated and provide a brief description. Also, list offices or leadership positions you currently hold and have previously held (list the year).

Entomology Activities:

Please include a detailed list of all entomology club meetings and outreach activities in which you have participated. Please list these by year and semester. This is your service to the entomology department and to the community, so please provide details such as dates, locales, audience (school, college students, adults) and specific activities. If you have been active in another club, please list those activities as well.

Brief Statement of Purpose

Please include a brief statement about the benefits of being an entomology major/minor and any future career goals you may have. Please explain how this scholarship will be used to enhance your educational experience.
